Principal's Corner

Greetings WHB ES families and friends and Happy New Year! I trust your holidays were joyful and full of happy times with family and friends. What a great first few months we have had! It has been my pleasure getting to know your children and this wonderful school community. This is truly a family oriented school, which is evidenced by the partnerships between staff and families at WHB ES. I am grateful for the support this school has from our parents and community members!

I continue to be impressed with the outstanding teachers and staff at WHB ES. They go above and beyond to make sure our students have a wonderful, well-rounded education and learning environment each and every day! So, let's begin this new year with a grateful heart and singing praises to our wonderful students and staff! They are the best!

Thank you for allowing us to educate your child and we look forward to a phenomenal 2012!

Mrs. Lisa A. Slover
